

Renhurst Farm. Mark Cross

Heading south on the A267 towards Mayfield take the turning on the left to Renhurst Farm and farm shop shortly after the cross roads at Mark Cross. On reaching the farm turn left and proceed through farm. On the left opposite the last building is a parking area next to a gate. Proceed on foot through gate ensuring that the gate is shut behind you and cross the field towards the lake. You will then see a small gate on the top edge of the field, go through this gate and the footpath will then lead you to the lake. Alternatively walk straight on from the parking area and take the footpath on your left, this will also take you to the lake.
